SUMMARY

Full Stack Web Developer certified through University of Arizona's Coding Bootcamp. Five years experience in bar management. Passion for problem-solving and team work in the pursuit of user-friendly application development. Recognized for excellent communication, mediation and conflict resolution skills. Innovative, adaptable and a team-player.

TECHNICAL SKILLS

HTML5, CSS3, Bootstrap 4, Bulma, Git, GitHub, JavaScript, jQuery, JSON, AJAX, Media Queries, REST APIs, Node.js, Agile, MVC, MongoDB/Mongoose, MySQL, Sequelize, Express and Express-Handlebars, React.

PROJECTS

BeerCrawlr

*View deployed project: **https://joeybrown-ctrl.github.io/Beercrawlr/***

*View GitHub repository: **https://github.com/joeybrown-ctrl/Beercrawlr***

A brewery and restaurant search app based on the user's desired location. Uses four different APIs: Zomato API, OpenBreweryDB, Algolia, Geolocation API. Front-end built using Bulma and HTML5, and the back-end with JavaScript, jQuery, AJAX, and JSON. Deployed on GitHub pages.

Odyssey

*View deployed project: **https://team-zeus.herokuapp.com/***

*View GitHub repository: **https://github.com/joeybrown-ctrl/Odyssey***

A scrapbooking travel app that allows the user to create country-specific travelogues filled with pictures and notes. The app utilizes the MVC design pattern, and is built with Node.js, Handlebars.js, Sequelize, Cloudinary, SendGrid and RESTCountries. Deployed to Heroku with a jawsDB database. *(Guest login is test@test.com with 'test' as password)*

EXPERIENCE

Bartender   *2019 – Present*
La Cocina Restaurant and Cantina   *Tucson, AZ*
Recognised by management for providing exceptional customer service, developing cocktails, training bartenders and barbacks, and money handling in a busy restaurant bar environment.

Bartender/Co-Manager   *2016 – 2018*
Good Oak Bar   *Tucson, AZ*
Started as a bartender, and quickly promoted to the management team. Recognition for excellence in training new bartenders, scheduling, events and social media management. Sought to provide the ultimate guest experience. Sommelier training and special mention in cocktail competitions during time of employment.

EDUCATION

Bootcamp Certificate: University of Arizona Coding Bootcamp -- Tucson, AZ
A 24-week intensive program focused on gaining technical programming skills in HTML5, CSS3, Bootstrap 4, JavaScript, jQuery, Node.js, MySQL, MongoDB, Express and Express-Handlebars, React.
